

I would be very disheartened if LPFM expanded in such a way to take priority over current FM translator service. K-LOVE radio is a very important part of the community I live in and is imperative that it stays on the air. K-LOVE provides positive, encouraging music for all listeners...bringing thousands of people to Christ each year. These people may never hear of the love of Jesus if K-LOVE were to be displaced by an LPFM broadcaster providing other programming. It is in the best public interest to keep K-LOVE on the air for numerous reasons including bringing people to Christ, and giving people a better option for radio listening. Please don't let us lose K-LOVE!!!
